

A Lifetime Commitment to Public Service, Good Governance, and Volunteerism

I have 34 years of civil service, most recently as Assistant Administrator and Chief Safety Officer within the U.S. Department of Transportation. As a retired Senior Executive, I have led innovative programs on environmental protection, safety, and national defense.

I am a fellow in the Academy of Excellence in Local Governance with the Maryland Municipal League and participate in their Torchbearer Program for continuous improvement in public service.

Local and National Community Service:

- Served for over 10 years in scouting, first in Cub Scout Pack 1191, then as Assistant Scoutmaster and Committee Chair for Boy Scout Troop 460. BSA Woodbadge. Carroll District Scouter of the Year.
- Led the U.S. Department of Energy's nationwide "Feds Feed Families" program. Collected 211,000 lbs. of food donated to local food banks.
- Member of the Mount Airy 4 County Lions Club.
- Member of the Knights of Columbus, Council 10525, St. Michael Catholic Church.

I am Confident in Our Future

I have the energy, character, and experience to serve you effectively, preserve our heritage, and continue to put **your vision** for the future of our town into action. With your support, I am confident in our ability to meet whatever future challenges may come our way.

**Vote for Steve Domotor on May 6th at the
Fireman's Activity Building / Carnival Grounds.**

RE-ELECT

Stephen

DOMOTOR

Effective Leadership for Mt. Airy Town Council

Hello! I'm Steve Domotor. My wife and I have lived in Mount Airy for 32 years and have been blessed to raise our family here. I am honored to serve as your Council Member and am seeking re-election to continue serving our community.

*I am committed to keeping your family safe,
protecting your quality of life and investment in our
town, and managing your tax dollars efficiently.*

Promises Made, Promises Kept

I have taken action and delivered results on the vision you expressed in the 2020 Community Survey for the future of Mount Airy and the concerns affecting your daily life.

- Voted against two large-scale high density housing developments.
- Ensured that your priorities for limiting growth were incorporated into the 2023 Master Plan.
- Sponsored an Ordinance enacting guidelines for a more rigorous review of a developer's request for an open space waiver.
- Sponsored a Town Council policy that establishes public transparency requirements for Council Members who engage with developers.
- Championed the need for 24/7 police coverage and a new police station.
- Formed the Main Street Safety Task Force. Created the Slow Down for Your Hometown campaign. Led the installation of two educational radar speed signs on Main Street.
- Sponsored an Ordinance enacting stringent requirements for Cannabis Dispensaries that included buffer zones and signage to protect the safety of our children.
- Co-sponsored an Ordinance enacting the Commission on Aging and Livability to meet the needs of seniors and their caregivers.
- Advocated for seniors and their concerns on a proposed Wildwood 7 development.

Future Priorities

- ✓ **Continue to Follow the Citizens' Desire to Limit Growth.**
 - Consider growth only when adequate public facilities exist and our quality of life and community identity are enhanced.
 - Ensure rigorous review of property annexations, development plans, waivers, and approvals.
 - Review and amend town zoning and development codes.
- ✓ **Ensure Your Family's Safety and Health.**
 - Site and construct a police station.
 - Fully fund and steadfastly support our Police Department and Volunteer Fire Company for their vital safety roles and contributions to the fabric of our community.
 - Advocate for transparent reporting of PFAS in our drinking water and actions for its removal from our water system.
 - Implement "complete streets" principles for pedestrian safety and walkability.
- ✓ **Foster Excellence in Government and Enhance our Community.**
 - Ensure budgets are prioritized in a fiscally responsible manner.
 - Improve town processes, transparency, and innovation.
 - Promote respectful dialogue and diverse viewpoints.
 - Support small business growth and downtown revitalization.
 - Increase our nature trails, open space, and other recreational facilities.
 - Advocate for our seniors and multigenerational livability.
 - Preserve our town's historic charm, small town values, and way of life.

I care about all the people I serve.
